Security Training Requirements

As a NAS user, you are responsible for being aware of the following account-related policies:

- Users and NAS staff requesting either a new or a renewed account must complete the <u>Basic IT security training</u> annually and fill out an Account Request form for the annual NOP (New Operational Period).
- Users shall not share their account(s) with anyone, including sharing the password to the account, providing access via an .rhost entry or other means of sharing.
- Users are responsible for protecting any information used and/or stored on/in their accounts.

Account Deactivation

Users who do not comply with the rules listed in the <u>Acceptable Use Statement</u> will have their accounts disabled either temporarily or permanently. Account deactivation will result after 90 days of non-use (by changing user's normal shell to noshell) and data may be archived after 120 days of non-use.
